Approximately what time would you like to pick up <animal> _____

We will do everything possible to accommodate your requested time; however, pick-up times are not guaranteed

Does your pet need an examination by the Doctor for any reason?

(There will be an examination fee incurred)

*If your pet needs to be seen by a doctor, your requested time out could be affected**

Please comment on anything else you would like us to know below:

All animals groomed at Warwick Animal Hospital must be current on vaccinations & an annual intestinal parasite exam. Some pets can get accidentally cut or get skin redness or irritation when being shaved close to the skin or being stripped. This could require surgical or medical attention at the owners' expense. Be aware that every effort will be made to avoid any of these conditions. I understand & agree to these terms.

****Tips are appreciated. Please inform receptionist at checkout if you would like to leave your groomer a tip****
